

## Determination of Nonsignificance (DNS)

**Environmental Application Number:** 858765      **Project ID Number:** 496479

**Family Application Number:** 858766

**Parcel Number:** 0616032001

**Action:** Shoreline Substantial Development

**Description of Proposal:** The applicant proposes to:

- Repair a wood diversion apron structure;
- Replace a spillway; and
- Reinforce the existing shoreline protection.

The facilities are located along the Puyallup River. The applicant has provided preliminary drawings for Phase II, but detailed plans cannot be provided until the current phase is installed and monitored. SEPA review will occur for Phase II when detailed plans are provided and application is made.

**Location of proposal:** 38400 Moose Junction Road East, 38400 Grid of S3, T16N, R6E, in the Conservancy Shoreline Environment in the Rural 20 (R20) zone classification, within Section 3, T16N, R06E, W.M. in Council District #3

**Proponents:** Electron Hydro, LLC

Pierce County, the lead agency for this proposal, has determined that it will not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) will not be required under RCW 43.21C.030 (2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

- ☐ There is no comment period for this DNS. Appeals must be filed within 14 days of the issue date.
- ☐ This DNS is issued after using the optional DNS process in WAC 197-11-355. There is no further comment period on the DNS. Appeals must be filed within 14 days of the issue date.
- ☒ This DNS is issued under WAC 197-11-340(2); the lead agency will not act on this proposal for 14 days from issue date. Comments must be submitted within 14 days of the issue date. Appeals must be filed within 14 days of the end of the comment period.

for Dennis Hanberg, Responsible Official

**Appeal:**

Pursuant to RCW 43.21C.075, Section 18D.10.080 of Title 18D, Pierce County Development Regulations - Environmental and Chapter 1.22 of Title 1, General Provisions, decisions of the Responsible Official may be appealed. Appeals are filed with appropriate fees and Notice of Appeal at the Planning and Public Works Department, located at the Development Center in the Public Services Building, 2401 South 35<sup>th</sup> Street, Tacoma, WA 98409. You should be prepared to make specific factual objections.

Note: The issuance of this Determination of Nonsignificance does not constitute project approval. The applicant must comply with all other applicable requirements of Pierce County, federal, and state agencies, and/or the Hearing Examiner prior to receiving construction permits.

**PIERCE COUNTY  
NOTICE OF DETERMINATION OF NONSIGNIFICANCE**

Shoreline Substantial Development  
Proponents: Electron Hydro, LLC  
Application Nos: 858765, 858766

Notice is hereby provided in accordance with PCC, Chapter 18.80 and Section 18D.40.050, and WAC 197-11-510 that Pierce County has issued a Determination of Nonsignificance (DNS) on the following proposal:

Repair a wood diversion apron structure, replace a spillway, and reinforce the existing shoreline protection. The facilities are located along the Puyallup River at 38400 Moose Junction Rd E, within the Conservancy Shoreline Environment in the Rural 20 zone classification.

Pierce County, acting as lead agency, has determined that the proposal will not result in significant adverse impacts on the environment. An Environmental Impact Statement (EIS) will not be required. This decision was made after the review of a completed environmental checklist and other information on file. This information is available to the public on request.

This DNS is issued under WAC 197-11-340(2). Pierce County may not act on this proposal prior to May 19, 2018. Comments must be submitted by close of business on May 18, 2018.

An appeal of this determination must be filed no later than June 1, 2018, online at [www.co.pierce.wa.us](http://www.co.pierce.wa.us), or at the Development Center, Planning and Public Works Department, Pierce County Public Services Building, 2401 S. 35th St., Tacoma, WA 98409 by filing the appropriate fee and Notice of Appeal. You should be prepared to make specific factual objections. Review Chapter 1.22 of Title 1, General Provisions for additional information on the appeal process, including Content of Notice of Appeal (1.22.090.C). Contact the Development Center, 798-7200 to read or ask about the procedure for appeals.

**PIERCE COUNTY  
NOTICE OF DETERMINATION OF  
NONSIGNIFICANCE**

Shoreline Substantial Development  
Proponents: Electron Hydro, LLC  
Application Nos: 858765, 858766

Notice is hereby provided in accordance with FCC, Chapter 18.80 and Section 18D.40.050, and WAC 197-11-510 that Pierce County has issued a Determination of Nonsignificance (DNS) on the following proposal:

Repair a wood diversion apron structure, replace a spillway, and reinforce the existing shoreline protection. The facilities are located along the Puyallup River at 38400 Moose Junction Rd E, within the Conservancy Shoreline Environment in the Rural 20 zone classification.

Pierce County, acting as lead agency, has determined that the proposal will not result in significant adverse impacts on the environment. An Environmental Impact Statement (EIS) will not be required. This decision was made after the review of a completed environmental checklist and other information on file. This information is available to the public on request.

This DNS is issued under WAC 197-11-340(2). Pierce County may not act on this proposal prior to May 19, 2018. Comments must be submitted by close of business on May 18, 2018.

An appeal of this determination must be filed no later than June 1, 2018, online at [www.co.pierce.wa.us](http://www.co.pierce.wa.us), or at the Development Center, Planning and Public Works Department, Pierce County Public Services Building, 2401 S. 35th St., Tacoma, WA 98409 by filing the appropriate fee and Notice of Appeal. You should be prepared to make specific factual objections. Review Chapter 1.22 of Title 1, General Provisions for additional information on the appeal process, including Content of Notice of Appeal (1.22.090.C). Contact the Development Center, 798-7200 to read or ask about the procedure for appeals.
